

Recovery Series Pledge

Our Pledge: To Future-Proof Your Investment

The innovative Unitrends Pledge program assures that you maintain a leading-edge backup and disaster recovery environment complete with the newest technologies and capabilities. By purchasing a Pledge agreement along with an active support contract, you will be entitled to a replacement appliance after year 4! Worries about aging technology are no longer a concern with the pledge that you will receive the latest, equivalent-class appliance shipped directly to you.

Counteract aging hardware and keep pace with new technology.

With rapidly increasing technology capabilities and performance and the growing demand for instant access and “always on” business continuity, IT professionals can find themselves dealing with hardware that has a bounded shelf life. As a component of Unitrends’ #1 All-In-One Enterprise Backup and Continuity solution, Unitrends Pledge gives your organization the security of keeping pace with new technology. Enrolling in Pledge provides you with easy access to functional enhancements, efficiencies, and other improvements added to the Recovery Series appliances since your original purchase.

Obtain additional reassurance through RapidReplacement™.

Your support contract will ensure your access to a support team that consistently achieves a 98% customer satisfaction rating. Should something happen to your appliance, as an extra bonus, Pledge ensures white glove treatment and accelerated, next business day shipment of a replacement.

Hardware that’s forever young.

With the combination of a Unitrends support agreement and Pledge, you will be able to address the demands of business continuity on an ongoing basis. And, with continued renewal of your Pledge agreement, you will be eligible to receive free replacement hardware forever.
