10120	120	88.6	RS-10-120HDW-UNT	$208,724	$198,288

* Usable Capacity is the appliance's raw backup capacity after RAID.
↓These appliances are licensed down to lower storage capacity than the appliance's physical capacity

Notes

Step 1: Select Recovery Series Model and Package Based on Usable Storage Capacity (TB) and software needs

Step 2 Select the Support Term for your appliance model for Platinum Support, 1, 3, 4 or 5 years

* Usable Capacity is the appliance's raw backup capacity after RAID. Suggested backup sizes are estimates based on data measured across thousands of customers.The estimates assume 14-30

Recovery Series Platinum Support Pricing
Must purchase a 1, 3, 4, or 5 year support package with appliance

Model	Usable Capacity (TB)*	Suggested Backup (TB)	Support 1 year			Support 3 years			Support 4 years			Support 5 years
